## About Me

Dedicated to creating thoughtful, impactful designs that respond to both client needs and the broader urban context. By listening carefully and applying critical problem-solving, I aim to exceed expectations while blending local industry knowledge with emerging trends. My approach balances creativity with technical expertise, ensuring that ideas are seamlessly realized into meaningful, enduring spaces that enhance the built environment.

## Experience

### SHEA Design

Minneapolis, MN

#### Project Coordinator Architectural Designer

2018 - 2020 2021 - 2025

- Contribute to the development of design proposals and the preparation of comprehensive project documentation across all phases of the project.
- Assist in developing visualizations for client presentations to communicate design concepts effectively.
- Develop intricate custom detailing for complex, highly detailed designs, applied to both project documentation and 3D visualizations.
- Develop design proposals for exterior design work and contribute to the refinement of interior space design.
- Coordinate with consultants across all design phases to ensure seamless integration and cohesive project execution.
- Cultivated and sustained client relationships through personal connections, fostering business development and creating new project opportunities.

### Koch Hazard Architects

Sioux Falls, SD

#### Project Developer

2016 - 2017

- Collaborated closely with the Lead Principal in the development of design RFP responses for urban-focused projects.
- Assisted with facilitating events at the Sioux Falls Design Center, funded and hosted by the design firm.
- Developed project documentation from schematic design through to construction documentation.
- Led on-site construction meetings as part of Construction Administration, ensuring project adherence to design intent.
- Created visual graphics for presentations, enhancing project communication and client engagement.

## **The Center for Equality**

*Sioux Falls, SD*

### **President . Interim Executive Director**

*2014 - 2015*

- Led the development of fund-raising documentation, nonprofit bylaws, and managed corporate sponsorship relationships.
- Spearheaded the growth of Sioux Falls Pride, transforming it into a major event with thousands in attendance and a feature in Advocate Magazine.
- Co-led the AIDS Walk, raising funds to provide financial assistance to local community members living with HIV/AIDS.
- Played a key role in organizational growth and community outreach efforts, enhancing the nonprofit's impact and visibility.

## **RSA**

*Sioux Falls, SD*

### **Architectural Designer**

*2013 - 2016*

- Collaborated in the design development phase for diverse projects, including residential, commercial office, and industrial sectors.
- Supported interior design efforts through client meetings for material selection and management of material library.
- Prepared comprehensive construction documentation to ensure accuracy and clarity.
- Coordinated with consultants and contractors to ensure efficient project delivery and execution.
- Leveraged community relationships to secure a client and successfully led the design and project delivery process.
